**19.2** Furthermore Clydeport Operations Limited has decreed that any waters in the Firth of Clyde where vessels by virtue of their size, draught, speed or proximity to land, hazards and other vessels are unable to manoeuvre freely shall be regarded as a "Narrow Channel". Whilst racing any yacht which is unable for reasons of lack of wind or other cause, to sail clear of a large power driven vessel shall start her engine and/or paddle in order to clear and thereafter shall report full details to the Race Committee.

**19.3** Competitors are reminded of the Clydeport Operations Limited Byelaw which prohibits yachts and other craft from manoeuvring within 100m of any ferry terminal.
